

# State Action for Public Health Excellence (SAPHE) Act

## What is it? Why should I care?

---

**OCT 7, 2020 | 9:30AM - 11:00AM**

At the end of this webinar, participants will understand:

- The make-up of the Coalition for Local Public Health and its role in the Special Commission and the SAPHE Act.
- The actions leading up to the SAPHE Act, including the Special Commission on Local and Regional Public Health.
- The components of the Special Commission's final report and the SAPHE Act, with particular focus on the recommendations for workforce credentialing requirements.
- The components of recently filed legislation that aims to accelerate improvements in the local public health system.
